

## 9:00 AM STUDENT BIBLE STUDY

### Preschool

The true blessing comes from seeing the joy in our children's faces as they learn the importance of going to church, praying and reading the Bible. We cannot start too early teaching Biblical principles to our children. Visit the Preschool Area for more information. Children meet in the Children's Building.

### Genesis Student Ministry

in the BRICK

Genesis is the student movement of FBC Sapulpa and we are all about excitement, energy, creativity and seeing students become fully devoted followers of Christ. Our student ministry is designed with programs and events to focus on the specific needs of students and to engage them in Biblical teaching and worship. Genesis is where students begin to Love God, Listen to God, and Live for God.

## 9:00 AM ADULT BIBLE STUDY

Groups gather on Sunday mornings and during the week, with a focus on Scripture and its application in the life of a believer. Each group is led by a primary disciple marker. The group's focus is on the discipleship of individual believers through Scripture, fellowship, and ministry.
